PROCESS DISCUSSION

April 2018: Audit forum

July 2018: Newsletter

Oct 2018: NICE

Jan 2019: Approving audits, structure of clinical audit groups / committees, Patient Involvement

NORTH WEST TRAINING EVENT

GMCAN is one of three Networks in the North West who together host a Regional event. The main focus on this occasion was how to use data more effectively and included a speaker from NHSI explaining 'Plot the dots' as well as the Chair of N-QI-CAN on how this can be used for audit activity. The event was well attended and feedback positive.

MEMBER COMMENTS

Really useful forum + great place to share knowledge & Issues

Great for sharing best practice

As a new audit manager, I found the meeting very useful

Reassuring that other trusts have similar Issues, great for sharing practices

Very useful session - nice to hear we all face similar issues
