Looking forward into 2018/19, the network will meet on the 4th July 2018, Nov 2018 and Mar 2019. The network will continue to recognise the challenges in getting the members together to work on the challenging agenda in clinical Audit National and Locally. The network will continue to work with NICE and hopefully a member from HQIP will come and give a talk on the National agenda. Training is another area in which to scope and share other network events. Continue to encourage the use of the NQICA forum to all members.
